Substitutes for Santa

PROVIDING A CHRISTMAS TO OVER
100 KIDS IN HORRY COUNTY

The Grand Strand Young Professionals and SOS Care have partnered to give more than 100 children a jolly Christmas. Every year with the help of our volunteers, the children are first taken to Fun Warehouse where they enjoy pizza, play games and skate. After the play fun is over, the real merriment begins when the kids are taken to Walmart to buy Christmas presents. The children also are sent home with a bag of necessary household items and toiletries like toothbrushes and laundry detergent. Without generous community partners, Subs for Santa would not be possible.
